COSTA D'EN BLANES

Excellent landplot in Costa den Blanes of 865.000m². There is a constructable area of 450m² on 2 floors. In addition you can build a basement (not included in this buildable area) for all uses except for housing e.g spa, gym, indoor pool, games room etc.

Costa d'en Blanes is one of the most exclusive residential areas on the island and is located very close to Puerto Portals and Portals village which offer a wide variety of shops, restaurants, banks, medical services, dentists etc. The motorway is located at the bottom of the entrance to Costa d'en Blanes and it is approximately 10 minutes to Palma city and 20 minutes to Palma Airport.

The community has a 24h security service and there is a communal area for BBQ and private parties, in addition to tennis and paddle tennis courts.

COSTA DEN BLANES:

A very popular residential area located directly above Puerto Portals. Security is stationed at the entrance to the development. Some beautiful properties with magnificent sea views are to be found on this residential development and due to the close proximity to Puerto Portals there are excellent motorway connections to all of the South West of the Island. This is a very popular residential location.
