CAMPOS RURAL

This luxurious country house will be constructed in typical Mallorcan finca style in a rural setting close to the town of Campos in the southeast of the island. Set on a generous plot of 15.962 m², this property epitomizes comfort and high quality, where meticulous attention to detail transforms each aspect of the house into a haven beyond the ordinary. Carefully selected and handcrafted materials combine to create a home that exudes elegance. The expansive layout of the property provides both privacy and serenity. The living area of 253.58 m² is all on one level and the seamless connection between the open-plan living space and the garden erases all the boundaries between indoor and outdoor areas. Picture yourself enjoying evenings by the wood-burning fireplace or unwinding beside the inviting warmth of the heated swimming pool.

Boasting four bedrooms and three lavish bathrooms, every nook of the property is a distinctive sanctuary. The modern kitchen, adorned with sophisticated cabinets and luxurious worktops, stands at the heart of the home - a space where style meets functionality. Designed for your peace of mind, this finca ensures exceptional privacy, allowing you to revel in home comforts without distractions. Every element is thoughtfully designed to merge with nature, creating an ambiance reminiscent of a natural retreat. A fusion of modern luxury and comfort, where rooms effortlessly flow into one another, offering a truly unique living experience.
