BENDINAT

Set within the prestigious gated community of Ses Oliveres in highly sought-after Bendinat, this beautifully renovated garden apartment offers an exceptional blend of comfort, style and Mediterranean living. The property has been tastefully refurbished, featuring an interior living space of approximately 98 m² seamlessly extending to a covered terrace of around 10 m². This is complemented by a generous sun-drenched open terrace of nearly 54 m², which flows into a private garden of 40 m².

The bright open-plan layout features a sleek, fully equipped kitchen with central island integrated into the living room. An elegant open fireplace adds warmth and character, while large sliding doors fill the space with natural light and open onto the terrace and garden areas - ideal for relaxing or entertaining. The spacious master bedroom benefits from an en suite bathroom, while two additional bedrooms are well-suited for guests and family. A second modern bathroom serves these rooms, all finished with clean, contemporary design. From the private garden, there is direct access to the beautifully maintained communal grounds, featuring lush landscaping and three inviting swimming pools.

Air conditioning (hot/cold), double glazing, wooden shutters, a gas hot water boiler and heated towel rails in the bathrooms ensure year-round comfort. Further benefits include a secure underground parking space with lift access, entry phone system and the convenience of an on-site administration and maintenance office.
